Dear Parents / Carers

**Re: Behaviour Specialist**

My name is Sofia Kafetzoglou and I am the new Behaviour Specialist at Pierview Academy.

I am very excited for my new role and I am looking forward to co-operating with all of you in order to achieve the best possible outcomes for our learners' behaviour.

We are currently feeling that there are behaviour issues in our school that require our attention. Therefore we have decided to put a new reward system in place starting this week. The learners will earn daily credits towards their Friday afternoon Enrichment for;

- attending lessons
- completing their work
- respecting that lessons as phone-free times and
- using appropriate language.

We want to give our learners the opportunity to thrive on praise and rewards and receive recognition for positive behaviour choices.

The table below shows more details about our new Reward System :
