

Information for Students, Parents and Carers, teachers and employers

Aims

Our overall aim is to raise expectations and equip learners with ambition, confidence and the skills to be ready and able to thrive in their next steps by providing a wide range of learning opportunities throughout the curriculum.

This includes supporting them to :

Develop knowledge of themselves; personal qualities, and capabilities and develop a balanced view of their self-worth and potential.

Be aware of all education, training and career opportunities

Acquire the skills necessary for making realistic decisions.

Gain information about jobs and employment (the labour market) in a variety of areas.

Develop attitudes of self-reliance and responsibility for their own decisions now and in the future.

Set personal goals

Increase levels of attainment

Develop the career management skills needed to manage transitions to new roles and situations throughout life.

Entitlement

Every student has an entitlement to receive a comprehensive Careers Education, Information, Advice and Guidance programme that explicitly supports inclusion, challenges stereotyping and promotes equality of opportunity for all learners.

Our learners (Years 8-13) are entitled to:

Find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available.

Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through, assemblies, group discussions and taster events in (to line with PAL legislation).

Understand how to make applications for the full range of academic and technical courses.

A minimum of 1 employer encounter per year

Our career provision is in line with Statutory guidance and mapped against the government-recommended Gatsby Benchmarks which measure our progress against the following Eight standards.

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each pupil
4. Linking curriculum learning to careers
5. Encounters with employers and employees
6. Experiences of workplaces
7. Encounters with further and higher education
8. Personal guidance

Outreach

Our outreach programme is bespoke to meet the needs of each learner, all are welcome to engage in the above activities.

External Partners

In order to meet the needs of learners Pierview Academy works with an ever-changing range of external agencies, businesses and charities.

Impartial guidance

Face-to-face guidance is available for all learners to assist them in making future choices, whether in education, training, employment or charitable work.

LMI

Labour market information is embedded into lessons to assist learners with decision-making, meeting Gatsby Benchmark 2. It is also sent annually to parents and carers, who on request can be given further instruction on how to access and use this information.

Impact and Monitoring

Pierview strives to raise the aspirations of all learners enabling them to progress and succeed in life. We monitor and track all career activities and map our progress to the Gatsby Benchmarks. The overall success of the careers programme is measured through pupil destination data.

Review

Our careers programme is reviewed annually in June in preparation for the following academic year. Further information can be requested from the careers lead Nicky Sutherland by emailing careers.pierview@alpschools.org or phone: 0203 137 3630 (option 4).
