1. Introduction

Regular school attendance is essential if children are to achieve their full potential.

Pierview Academy believes that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

Pierview Academy values all learners. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties.

Pierview Academy recognises that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, bullying, behaviour, the curriculum for example.

This policy also takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.

2. Legal Framework

- 2.1 Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise.
- 2.2 A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.
- 2.3 Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.
- 2.4 The Education (Pupil Registration) (England) Regulations 2006, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.
- 2.5 The register must record whether the pupil was:
 - present;
 - absent;
 - present at approved educational activity; or
 - unable to attend due to exceptional circumstances.

3. Categorising absence

- 3.1 Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.
- 3.2 Absence can only be authorised by the Headteacher and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the learner's absence has been received.
- 3.3 Parents should advise the School's Administrator by telephone on the first day of absence and provide an expected date of return. This should be followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate. Alternative arrangements will be agreed with non-English speaking parents/carers.
- 3.4 Absence will be categorised as follows:
 - 3.5 Illness In most cases a telephone call or a note from the parent informing the School that their child is ill will be acceptable. Parents may be asked to provide medical evidence where there are repeated absences due to reported illness. This will usually be in the form of an appointment card, prescription etc.
 - 3.6 Medical/Dental Appointments Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils should attend school for part of the day. Parents should show the appointment card to the Headteacher or Deputy Headteacher.
 - 3.7 Other Authorised Circumstances: This relates to occasions where there is cause for absence due to exceptional circumstances, for example family bereavement, visiting a parent in prison or part time timetable agreed as part of a reintegration package.
 - 3.8 Excluded: Exclusion from attending school is counted as an authorised absence. The child's class Teacher/Learning Support Assistant/Headteacher will make arrangements for work to be sent home.
 - 3.9 Family Holidays and Extended Leave: Parents are strongly advised to avoid taking their children on holiday during term time. Parents do not have an automatic right to remove their child from Pierview Academy during term time for the purpose of a holiday and should be made aware that if their child is absent for 10 school days they will miss 5% of their education during that academic year.
 - 3.9.1 However, up to 10 school days leave in any one school year **may** be granted at the discretion of the Headteacher and only if current attendance is above 90%.

- 3.9.2 Parents wishing to take their child on holiday during term time must send a written request to the Headteacher before holiday arrangements are made. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised. Each request will be considered individually and will take the following factors into account:
- Length of the proposed leave
 - Age of the pupil
 - The pupil's general absence/attendance record
 - Proximity of important work / public examinations
 - Pupil's ability to catch up the work missed
 - Pupil's educational needs
 - General welfare of the pupil
 - Circumstances of the request
 - Purpose of the leave
 - Previous term time holidays taken
 - When the request was made
 - The Referring School's Opinion
- 3.9.3 All requests for leave of absence will be responded to in writing. Where a request has been granted the letter should state:
- The expected date of return
 - That parents must contact school should any delays occur
 - That the child's place may be withdrawn if the family do not return as expected
- 3.9.4 If a pupil fails to return and contact with the parents has not been made or received, the referring school may take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2006. This means that the child will lose their school place.
- 3.9.5 If the permission to take leave is not granted and the pupil still goes on holiday, the absence will be **unauthorised**. In such cases the referring school may issue a Penalty Notice.
- 3.9.6 Only in **exceptional circumstances** will absence of more than 10 school days be agreed. In such cases, consideration will also be given to cultural needs and family circumstances, such as minority ethnic children returning to their country of origin. In these cases granting leave for longer periods than normal may be considered justified. In all cases though, parents will be required to justify why the holiday needs to be taken during term time.
- 3.10 Religious Observance: Pierview Academy acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance.
- 3.10.1 It is reasonable for a parent to allow their children not to attend school on any day of religious observance if recognised by the parent's religious body.

- 3.10.2 Parents are requested to give advance notice to the Headteacher if they intend their child to be absent.
- 3.10.3 However, in the interests of fulfilling the academic requirements of the School and limiting the authorised absence rate, it is identified as reasonable that no more than one day be designated for any individual occasion of religious observance/festival and no more than three days in total in any academic year. Any further absence will be categorised as unauthorised.
- 3.11 Study Leave: Study leave may be granted for Year 11 pupils approaching iGCSE / GCSE examinations; for students preparing for other examinations once agreed by the HeadTeacher. The referring school will offer in school study programmes during this period to reduce absence levels.
- 3.12 Traveller Absence: The aim for the attendance of Traveller children, in common with all other children, is to attend Pierview Academy as regularly and as frequently as possible.
- 3.12.1 To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1944, section 86, states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in a year. This is only when the family are engaged in a trade or business that requires them to travel and when the child is attending Pierview Academy as regularly as that trade permits.
- 3.12.2 It does not mean that part-time education for Traveller children is legally acceptable, nor does it relieve parents of their duties to ensure that their children are receiving suitable education when not at school.
- 3.12.3 When local, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.
- 3.12.4 Pierview Academy will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the learner must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the learner's school place at Pierview Academy will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.
- 3.12.5 Pierview Academy can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:
- advise of their forthcoming travelling patterns before they happen; and
 - inform the school regarding proposed return dates
- 3.12.6 Pierview Academy will authorise absence of Traveller children if we are satisfied that a family is travelling and has given indication that they intend to return.
- 3.12.7 Traveller children will be recorded as attending an approved educational activity when:
- The child is on roll and attending another visited school
 - Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service

- The child is undertaking computer based distance learning that is time evidenced
- 3.12.8 Where Traveller children are registered learners at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil.
- 3.13 Late Arrival Registration begins at 09.30am, learners arriving after this time will be marked as present but arriving late. The register will close at 9.45am. Learners arriving after the close of register will be recorded as absent, this will not be authorised and will count as an absence for that school session.
 - 3.13.1 On arrival after the close of the register, learners must immediately report to the administration office to ensure that they can be responsible for their health and safety whilst they are in the school.
 - 3.13.2 The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.
 - 3.13.3 The absence will be recorded as unauthorised if the learner has arrived late without justifiable cause, for example, if they woke up late or were waiting for their uniform to dry.
- 3.14 Unauthorised absence Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the Headteacher or Deputy Headteacher.
 - 3.14.1 Examples of unsatisfactory explanations include:
 - A pupil's/family member's birthday
 - Shopping for uniforms
 - Having their hair cut
 - Closure of a sibling's school for INSET (or other) purposes
 - "Couldn't get up"
 - Illness where the child is considered well enough to attend school
 - Holidays taken without the authorisation of school

4. Deletions from the Register

- 4.1 In accordance with the Education (Pupil Registration) (England) Regulations 2006, learners will only be deleted from the register when one of the following circumstances applies:
 - The referring school is replaced by another school on a School Attendance Order
 - The School Attendance Order is revoked by the local authority
 - The learner has ceased to be of compulsory school age
 - Permanent exclusion has occurred and procedures have been completed
 - Death of a learner

- Transfer between schools
- Learner withdrawn to be educated outside the school system
- Failure to return from an extended holiday after both the school and the local authority have tried to locate the pupil
- A medical condition prevents their attendance and return to the school before ending compulsory school-age
- In custody for more than four months (in discussion with The Youth Offending Team)
- 20 days continuous unauthorised absence and both the local authority and school have tried to locate the pupil
- Left the referring school but not known where he/she has gone after both the referring school and the local authority have tried to locate the learner
- The referring school no longer funds a placement

4.2 Pierview Academy has a separate Missing Child Policy.

6. Using Attendance Data

- 6.1 Learner's attendance will be monitored and may be shared with the Local Authority and other agencies if a learner's attendance is a cause for concern.
- 6.2 Every half term, the Administrator/ Headteacher will provide all educational staff with attendance data for the previous half term for each learner during their review.
- 6.3 Attendance data will also be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment.
- 6.4 The Headteacher will share attendance data with the referring school and the local authority as required.
- 6.5 All information shared will be done so in accordance with the Data Protection Act 1998.

7. Support Systems

- 7.1 Pierview Academy recognises that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and or in their personal life. Parents should make the School aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour. For example, bereavement, divorce/separation, incidents of domestic abuse. This will help the School identify any additional support that may be required.
- 7.2 Pierview Academy also recognises that some learners are more likely to require additional support to attain good attendance, for example, those learners with SEMH, special educational needs, those with physical or mental health needs, migrant and refugee learners and looked after children.
- 7.3 Pierview Academy will implement a range of strategies to support improved attendance. Strategies used will include:
- Attendance leaflets for parents/carers
 - Certificates
 - Whole school assemblies

- Home visits (PVA to visit learner if not contact is made within 48hr period)
- Learner end of term reviews
- Attendance action plan and
- Early Intervention team involvement

7.4 Support offered to families will be child centred and planned in discussion and agreement with both parents/carers and learners during review time.

7.5 Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, Pierview Academy will consider the use of legal sanctions in conjunction with the referring school.

7.6 Current Attendance Procedure at Pierview Academy

Pierview Academy is committed to ensuring all learners attend regularly, in line with their EHCPs. To support families and students, we have implemented the following steps this academic year:

- **Below 90% Attendance:** Parents/carers will receive a formal letter reminding them of the school's and statutory attendance expectations. The letter also encourages parents/carers to contact the school if they require support with attendance-related difficulties.
- **Below 85% Attendance:** Parents/carers will be invited to a meeting with the school team to discuss concerns, identify barriers, and co-produce an initial Attendance Action Plan. From this point, full engagement with the support offered is expected. This may include involvement from our Early Intervention Team, including Educational Psychologist, Social Worker, and SEMH partner, and the development or review of EBSA plans, if required.
- **Ongoing Non-Engagement and Poor Attendance:** If there is no meaningful engagement or improvement despite the above measures, the school will review the child's placement. As a specialist setting, the school can only meet a child's EHCP needs when the student is attending and able to access the provision.

7.7 EBSA and Multi-Agency Support

Pierview Academy recognises that some learners may experience Emotional-Based School Avoidance (EBSA). The school works closely with families to:

- Develop and review EBSA support plans on a regular basis.
- Collaborate with Bexley's Early Intervention Team, including Educational Psychologists, Social Workers, and SEMH partners, to remove barriers to attendance.
- Provide tailored, child-centred interventions to support wellbeing, routine, and progress.

7.8 Principles

Our approach is non-judgemental, child-centred, and partnership-focused, ensuring that support is offered

before any legal interventions are considered. Consistent attendance is crucial for academic progress, routine, and long-term wellbeing.

8. Legal Sanctions

8.1 General

8.1.1 Pierview Academy is committed to working in partnership with parents and carers to secure regular and punctual attendance for all pupils. The school will normally seek to understand and address the reasons for absence and provide appropriate support before considering formal legal intervention.

8.1.2 Where attendance does not improve despite appropriate support, where parents or carers do not engage with attempts to improve attendance, or where legal intervention is considered appropriate because of the circumstances of the absence, Pierview Academy may refer the matter to the appropriate Local Authority for consideration of appropriate legal action.

8.1.3 Any referral to the appropriate Local Authority will be supported by appropriate evidence of the pupil's attendance, the actions taken by the school, communications with parents or carers, support offered, and any other relevant information.

8.1.4 The school will work cooperatively with the appropriate Local Authority and provide evidence or information reasonably required to support any attendance enforcement proceedings.

8.2 Section 444 of the Education Act 1996

8.2.1 Section 444 of the Education Act 1996 places a legal responsibility on parents and carers to secure the regular attendance at school of their child where the child is of compulsory school age and is a registered pupil at the school.

8.2.2 Where a parent or carer fails to secure the regular attendance of their child, and the statutory requirements for prosecution are met, the appropriate Local Authority may consider taking proceedings in the Magistrates' Court under Section 444 of the Education Act 1996.

8.2.3 A conviction under Section 444(1) may result in a fine of up to £1,000.

8.2.4 In circumstances amounting to the aggravated offence under Section 444(1A), a parent or carer may be liable, on conviction, to a fine of up to £2,500 and/or imprisonment for a term of up to three months.

8.2.5 The decision whether to commence prosecution rests with the appropriate prosecuting authority. Pierview Academy will not make any representation that prosecution is automatic and will cooperate with the appropriate Local Authority where legal action is considered.
